

Frankfort Begins New Billing On Sewer-Water

Water and sewer bills just received by Frankfort householders cover the period from January thru April, according to a slip enclosed by Village Clerk Walter Pfaff.

Customers also were informed that half of them would receive another bill July 1 and the other half on Aug. 1. Thereafter, half of the customers will be billed each month. Each billing will then cover a two-month period.

The clerk's office is open to receive payments Monday, Tuesday, Thursday and Friday from 9 a.m. to 12 noon and 1 to 4 p.m. each

week. Bills paid 30 days after the due date will be assessed a penalty of 10 per cent and those who fail to pay their bills within 45 days will have their service terminated, according to the set-up. Persons who want a copy of the water and sewer rates may obtain one at the village hall.

The water rate is \$4 for minimum of 4,000 gallons, for the next 2,000 gallons it is 55¢ a thousand; the next 4,000 it is 48¢ a thousand; for the next 4,000 it is 42¢ a thousand; for the next 6,000 it is 35¢ a thousand; for the next 8,000

it is 28¢ a thousand; for the 6,000 it is 23¢ a thousand and over 40,000 gallons it is 20¢ a thousand. The sewer rate is \$9 for the first 10,000 gallons. After that the rate is the same as for the water in the corresponding brackets.

When Trustee Glenn Warning pointed out that chuck holes on various streets should be filled, Mayor George Sangmeister suggested that a survey be made with the idea of ascertaining the amount of material needed and doing such patching as there are available funds. The board approved the action

of the zoning board in reclassifying owned by Herman Barleyworth at the northwest corner of Routes 45 and 30 from R1 to B1. Barleyworth and Wayne DePorto plan to operate a root beer stand at the location.

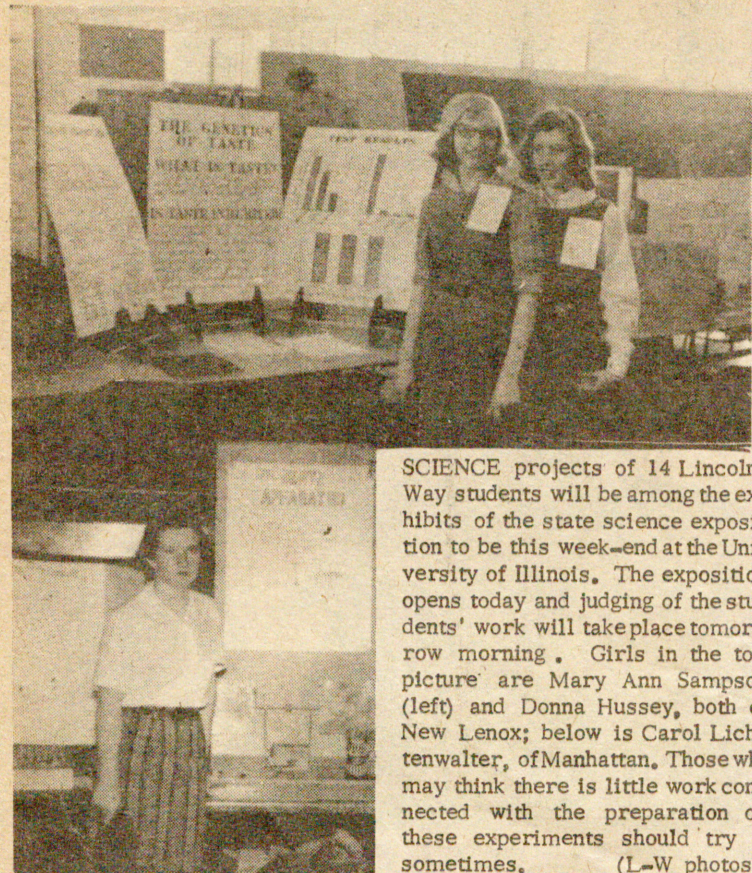

The village plans to clear park property of brush and parts of trees by burning. One of the trustees said the tract appeared to be a "brush dump."

The Northern Illinois Gas Co. had plans approved for installing new mains in portions of the vil-

lage and the Illinois Bell Telephone Company will put in some new underground cables.

When the appropriation ordinance is brought up one item to be discussed will be the proposed purchase of public liability insurance to cover all of the villages property and undertakings. A policy is offered for \$53,75. At present the only public liability insurance carried is on the village hall.

Another item is a request from the plan commission for \$500 for expenses.

SCIENCE projects of 14 Lincoln-Way students will be among the exhibits of the state science exposition to be this week-end at the University of Illinois. The exposition opens today and judging of the students' work will take place tomorrow morning. Girls in the top picture are Mary Ann Sampson (left) and Donna Hussey, both of New Lenox; below is Carol Lichtenwalter, of Manhattan. Those who may think there is little work connected with the preparation of these experiments should try it sometimes. (L-W photos).

14 Lincoln-Way Students Compete In Science Show

Having survived stiff local and district competition, 14 Lincoln-Way High School students will journey to the University of Illinois campus in Urbana to exhibit their own original science projects or research paper in the State Science Exposition to be held May 5 thru 7. Entries in the State affair represent less than 10% of the finalists from ten State districts.

Judging of the students' work will be held Friday morning while the afternoon sessions will be devoted to discussions and tours of the University. Students will visit such places as the animal experimentation labs, electron microscope and other labs.

Guest speaker of the affair will be Professor Alyea, noted chemist and lecturer from Princeton, who will speak on "Fission and Fusion; Weapons for Peace." Dr. Alyea will trace the growth of ideas which lead to the tapping of nuclear energy for war and peace, will contrast the reactions in atomic bombs and nuclear reactors and will also discuss the production of radio-isotopes and peacetime research with them. He will also examine recent studies

of fusion reaction and their possible control on earth. This presentation will be profusely illustrated with experiments.

During Saturday's session students will vie for honors in the paper reading sessions.

Students who will represent Lincoln-Way are: Ron Hilton, Frankfort; Bruce Lewin, Frankfort; Gerald Eisenbrandt, Frankfort; Bob Breidert, Frankfort; Dan Owen, New Lenox; Douglas Florek, Mokena; Carol Lichtenwalter, Manhattan; Ron Badten, Mokena; Donna Hussey, New Lenox; Mary Ann Sampson, New Lenox; Dave Larson, New Lenox; Les Michalec, New Lenox; Jim Lakin, New Lenox; Mike Tate, Frankfort.

Child Attacked By Stray Dog

Noel Richards, two year old son of Mr. and Mrs. Gordon Richards, Arby Hills, Mokena, was attacked by a large stray collie dog in the yard of his home last Thursday evening.

The child was bitten around his right eye which required 21 stitches when he was admitted to Silver Cross hospital.

His mother told the sheriff's deputies she did not know the owner of the dog and was advised to try and catch the dog if it returned. Later that evening the dog was caught and taken to a veterinarian in New Lenox where it is being held for observation. The animal is about 7 years old and appears to be blind in one eye. It seems friendly toward adults but growls at children.

The Richards would appreciate it if the owner of the dog would advise them if the animal had rabies shots so their son would not have to undergo series of anti-rabies shots which are quite painful.

Incidentally Noel came down with the measles the next day.

Frankfort Church School Class To Hold Car Wash

The Junior-Hi Sunday school class of St. Peter's United Church of Christ of Frankfort will hold a "car wash day", Saturday afternoon May 7 from 1 to 9 p.m.

The project is under the direction of their teacher Mrs. Lynn Kohlhaugen, is to raise funds for the Heffer Fund for World Service.

Anyone wishing to assist in this worthy cause may do so by calling Frankfort 4851 for pick up and delivery service of cars. The fee will be a cash donation.

High School Honor Group Inducts 19

Induction ceremonies for new members of the National Honor Society were held at Lincoln-Way Community High School last Friday, April 29.

Nineteen new members were inducted. Two seniors and seventeen juniors. Membership is limited to ten per cent of the junior class and fifteen per cent of the senior class. The new members are: Lois Sluiter, senior; Eleanor Zimmerman, senior; Marilyn Ambuehl, Henry Davis, Gail Gregory, Gayle Harling, Reece Jones, Joe Kruzich, Karen Korista, Wayne Lauffer, Bob Lichtenwalter, Robert Lanzke, Eleanor Pester, Paullette Radd, Becky Sheeler, Sue Ann Shoop, Kay Swinford, Judy Wheeler and Judy Wiegell, all juniors.

Membership is based on a fixed standard of scholastic achievement which must be maintained. However, eligibility is also based on qualities of service, leadership and character.

Supt. A. Hunter Chapman spoke on the nature and value of the National Honor Society at the all-school assembly. Other speakers were members of the Society, Judy Marcece, Tammy Trump, Lenora Bormet and Ken Lorenz.

Haven School Students To State Musical Comedy

Students at Haven school, New Lenox, are to present a musical comedy, "School Daze," Friday and Saturday nights of this week (May 6-7) at 8 o'clock in the school gymnasium.

Book and music were written by Joseph Lacina, a musician who resides at Berwyn. Milton Mojziz, band director for the New Lenox schools, and Robert Fahrner, also a member of the faculty, will direct the production.

"School Daze" dates back to 1925 with the scenes revolving about high school activities of that time.

Dennis Pfeiffer plays the part of the first male member of what had been a faculty comprised entirely of women. Barbara Loebe

has the part of the domineering principal and Barbara Stoddard the pretty young teacher.

Supporting roles are played by Joy Blaha, Helen Gullicksen, Sue Webb, Toni Koster, Donna Mangun, Sharon Carnes, Connie Corp, Richard Mangun, James Miller, Dale Hunt, Ronald Kokal, Carol Slick and George Psses.

Thomas Nelson is stage manager and David Ferguson technical director.

The stage band is made up of Carolyn Clark and Joan Stone, flutes; Bobby Fitzer, Janice Dubien, Dottie Doring, clarinets; Carol Hammond and Jeff Urban, trumpets; Thomas Baldwin, trombone; Steven Michalec, tuba and Jeanine Peters, piano.

Area Grade School Bands Win Firsts In State Contests

MARILYN AMBUEHL

Mokena Girl Wins Honor

Miss Marilyn C. Ambuehl from Lincoln-Way Community High School has been selected by the National Science Foundation to be part of a summer "Honors Institute for Young Scientists" at the University of Michigan. Marilyn is one of only 75 students who received such an honor.

Marilyn has been assigned to study in the field of mathematics. Her achievement test score in mathematics was in the 95th percentile. That means that she would rank higher than 95 out of a 100 students in the U. S. or students taking this examination. There were 173 applicants from 17 states in competition for the "Honors Award".

Five weeks of the summer program will be held at East Grand Rapids High School and one week on the campus of the University of Michigan at Ann Arbor. The program begins on June 20 and concludes on July 29.

The National Science Foundation is investing approximately \$250 per student in making this program possible.

The criteria for selection were: rank in the upper quarter of her class scholastically, have done well in subject matter in area chosen, with good recommendations, and have ranked among highest on achievement tests taken.

Marilyn is the daughter of Mr. and Mrs. Don Ambuehl and resides in Mokena.

Mother's Day To Make Its 46th

Bow In Nation

Mother's Day, is set apart every year in honor of motherhood.

Anna Jarvis of Philadelphia in 1907 began an effort to establish a nationwide observance of this day. She chose the second Sunday in May and began the custom of wearing a carnation. If a person wears a colored carnation it means that his mother is living; if he wears a white one it means that his mother is dead.

Mother's Day received national recognition on May 8, 1914. On that day, President Woodrow Wilson signed a joint resolution of Congress recommending that Congress and the executive departments of the government observe Mother's Day.

This year Mother's day is Sunday, May 8 denoting it's 46th year.

Three area grade schools competed in the State band contests Saturday, April 30 at Cornell and Ashton and returned with high ratings.

Frankfort Grade school band received a first rating at Cornell. The following soloists and ensembles were also awarded first place: trumpets, Bruce Patterson, Frank Fleck, Patty Morrison, Warren Anderson; baritone, Tommy Lambrecht; Oboe, Jo VanRheeden, Billy Ewing; clarinets, Rita Schinkowski, Heather Mossell, Judy Weichselberger, Patty Belsz; saxophone, Cary Anderson; sax trio, Gary Anderson, Russell Batson and George Maertlin.

Second ratings: trumpet, Kim Osmus; clarinets, Diane Reils, Bruce Ebert, Sherry Dralle; clarinet quartet, Rita Schinkowski, Donna Hansen, Diane Reils and Bruce Ebert; saxophones, Dale Ebert and Gloria Rahm; flute, Helen Ebert; cornet trio, Warren Anderson, David Carlson and Bruce Patterson.

Third ratings: french horn, Holly Mossell; clarinet, Donna Hansen; saxophone, Randy Putnam.

After the contest the Band Boosters entertained the 45 band members, Perry Friedman, director, piano accompanists and Miss Viola Lankenau with a chicken dinner at a Dwight restaurant.

Mrs. Orville Schinkowski, president of the Band Boosters presented Miss Lankenau with a gold plaque in behalf of the Boosters in honor of her support with the band and her retirement.

The Mokena band did not compete at Cornell but the following soloists, trios and quartet received the following ratings: First, clarinet, Susan Mazurek and Allen Wallenzien; second ratings: baritone horn, Allan Guth; trumpets, Dennis Neuls, John Wise; clarinets, Warren Bormet and Terry Warning; alto sax, Dale Westlund; clarinet quartet, Susan Mazurek, Bill Ihde, Paul Dath and Ben Sluis; sax trio, Don Teague, Dale Westlund and Nathan Roesner.

Third ratings were awarded to: clarinet, Ben Sluis and trumpet trio, David Howell, Allen Wallenzien and Denny Cappel.

New Lenox grade school band composed of 40 students, achieved a first not only in band but in all solos, duets, quartets and trios. Those competing include: trombone, Tom Baldwin; cornets, Richard Mangun, and Carol Hammond; flutes, Joan Stone and Donna Youngren; clarinets, Susan Webb and Jennifer Doering; tuba, Dale Anderson and Steve Michalec.

Trombone and baritone duet, Dennis Yarbrough and Darrel Fleischman; flute duet, Donna Youngren and Carolyn Clark; Clarinet duet, Dennis Pfeiffer and Bobby Fitzer; drum quartet, George Passas, Jeanine Peters, Richard Smithson and Ray Rowswell and clarinet trio, Susan Webb, Connie Corp and Donna Mangun.

Second place ratings went to cornet, Jeff Urban and alto sax, Laura Brown.

Milton Moses is the music director of the school band.

BAND TOURS SCHOOLS The Lincoln-Way Community band, which captured numerous honors at the State Contest a few weeks ago, toured four village schools in the high school district on Tuesday, May 3.

Robert Taylor, band director, led the group in identical concerts in each of the four schools that day.

Lions Elect New Officers

Earl Moss was elected president of the New Lenox Lions club at a recent meeting. Also elected to office for the coming year were: James Skiniotes, first vice president; Bill Van Cleave, second vice president; Ron Vondrasek, third vice president; Ron Whitaker, secretary, Les Brown, treasurer, Don Wennlund, tall twister, and Frank Chandler, lion tamer.

New directors are: Amos Bruns, Bill Penn, John Gorzinski and Dan Martin. Gene Krohn and Harlow Jensen are completing their second year as directors. The installation dinner will be held, Wednesday, May 25 at the Willowbrook Inn. Tickets are available from the local club members and should make reservations now.

Two Men Buy Southmoor

Announcement was made last weekend that the Southmoor Country club, 131st and Southwest highway, which has been in the news off and on in recent weeks, has been sold by Ben Stevenson to William E. O'Connor and Attorney George D. Sullivan.

O'Connor a Chicago amateur golfer, is president and general manager of the Acme Furnace Fitting Co., in which Sullivan is his partner. He is quoted as saying this business will be liquidated so he can devote full time to the golf course, a 27-hole affair which will continue to be operated as a public links, specializing in private tournaments.

O'Connor resides at 8904 W. 123rd st. He is a governor and scratch player at Beverly Country club and was a member of the Chicago Public Links team in 1953. O'Connor is a graduate of DePaul university and is a former CYO boxer and Golden Glove and college boxing referee.

The purchase price was not given.

Change Date For Frankfort Fire Dist. Election

Balloting on the proposed formation of a fire district to serve all of Frankfort township, except the village of Mokena, and a portion of Green Garden has been fixed now for June 11 by County Judge John C. Cowing.

Originally the election date had been set for June 4 but because not all of the proposed polling places could be used then the new date was necessary, it was explained in the court.

There will be four polling places--the Frankfort village hall; Ann Rutledge school in Lincoln Estates; Green Garden village hall and the Weitendorf school. Polls will be open from 6 a.m. to 6 p.m.

New Lenox Man Is Defendant In \$50,000 Suit

Dennis A. Norton, of New Lenox, is named defendant in a \$50,000 suit filed in the Will county circuit court by Mrs. Grace M. Nelson of 112 Hillside rd., Joliet.

Mrs. Nelson was seriously injured last New Year's day, her complaint states, when a car allegedly driven by Norton struck the automobile in which she was a passenger. The crash occurred on Washington street near the Michigan Central crossing east of Joliet. Norton's car was traveling east. The other car was west bound.

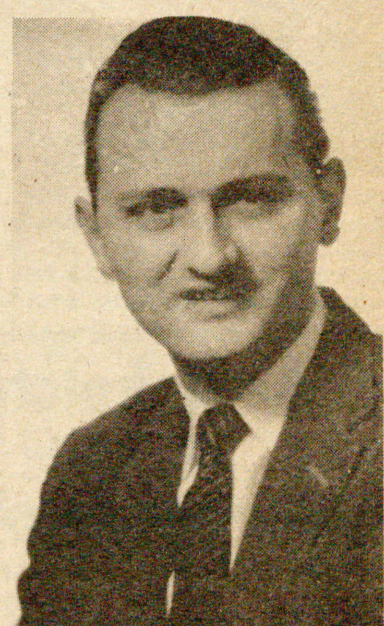

Mrs. Nelson states she was hospitalized for more than three months and that she has suffered crippling injuries.

Extend X-Ray Schedule At San.

The x-ray clinic schedule of Sunny Hill sanatorium has been extended to include Saturday as well as Monday, Wednesday and Friday. This action was taken recently by the Sanatorium Board of Trustees to meet the demand.

All patients must have a signed request from their family physician in order to have an x-ray taken. An appointment is necessary for an x-ray on Saturday. No appointment is needed for Monday, Wednesday or Friday.

The new x-ray schedule - Monday, Wednesday, Friday 8:30 a.m. to 3:00 p.m. Saturday - 8:30 a.m. to 2:00 p.m.

HENRY MEIER

Hires Man To Teach L-W German Class

A. Hunter Chapman, superintendent of Lincoln-Way Community High School, announced the appointment of Henry Conrad Meier to the Lincoln-Way faculty. Mr. Meier will teach in the Language department.

He has been a resident of Spearfish, S. D., but was born in Luen, Germany in 1931. Having a native knowledge of the German language, he will be an excellent man to start the teaching of German in the local high school, it was pointed out.

Meier will receive his B. A. degree from Montana State University in June of this year.

In addition to his teaching, Meier will help by coaching in dramatics. He has been secretary and assistant stage manager at the Black Hills Passion Play in South Dakota, one of the better known passion plays in the world. Meier has been connected with this group since 1952.

Prior to this he did civil administration work in Aitumen, Germany, from 1945-1951. He came to America in 1952.

NAME GRAND JURORS

The following persons in the area were called to report for grand jury service Monday morning. They were impaneled by Circuit Judge James V. Bartley, court house, Joliet.

Those called are: Raymond Nieland, Harry Tewes, Frankfort, and Lillian McGovney, Elmer Woodcock and Anna Fitzer, New Lenox.

NEW SQUAD CAR for the Mokena police department was delivered last week-end. Charles Swanberg, Mokena Chevrolet dealer is shown here turning keys of car over to Mayor James Marti

(left) who in turn delivered them a few minutes later to Chief of Police James Smetana. (Marvin Smith photo).

Home Demonstration Week To Be Observed May 17

Page 2 Section 1 Thursday, May 5, 1960

Nearly 7 1/2 million homemakers who take part in the Home Economics extension program thru out America each year will observe the 15th National Home Demonstration week May 1 to 7.

Home Economics extension work is an educational program in better homemaking planned by and for homemakers and conducted co-operatively by the Extension Service of the U.S. Department of Agriculture, the state land-grant colleges and county governments. Thru it, homemakers learn to apply the latest approved methods developed by home economics re-

search. Will County Home Bureau works closely with the extension service which became active in Will County in 1930 when Will County Home Bureau was organized. Will County now has 537 members. The 23 units of Home Bureau in the county are planning displays in stores in their communities to tell what they have gotten from extension.

The Home Economics extension council of Will County are composed of the following women, namely mesdames; Clair Hemphill, Elwood; Nick Kowaliuk, Lockport; Edward Berens, Joliet; Howard Kurkamp, Elwood; Gilbert Morrison, Peotone; Earl Keniston, Manhattan; Robert Baumann, Plainfield; Clyde Zimmer, Lockport; Lloyd Leupold, Plainfield; Ralph Jackson, Wilmington; Lee Heusner, Peotone and John Hubler, Mokena.

Home Economics extension also includes programs for 4-H Club girls, Rural Youth and young married couples. Will County has 36 4-H clubs with an enrollment of 703. There are 75 4-H leaders.

Each county in the state has a Home Adviser. Mrs. Alma Niessner has recently been appointed the new Home Adviser for Will County.

JIM LOUNSBURY - popular TV star will appear at Lincoln Way high school, Saturday, May 7 from 7:30 to 11:00 p.m. The dance is being sponsored by the Mokena Band Boosters. Besides the "record hop" session a five-piece orchestra will play for the evenings entertainment. Refreshments will be served and members of the association will be chaperones for the evening.

County Board Head Names Committees

When the Will County board of supervisors met last Thursday Meade Baltz, Joliet township supervisor was unanimously re-elected as chairman of the board.

The following from this section were named by Mr. Baltz to serve on committees; John E. Francis, New Lenox was named to committee of Subdivisions and Zoning, and also as chairman of the committee to settle with the treasurer.

William Kampe, Frankfort, was named chairman of the Judiciary committee and chairman of the Right-of-Way committee.

Barney Welter of Homer, was named chairman of the Bond and Insurance committee and also to the committees on County Planning and Finance, Salaries and Audit. Richard Nieland of Green Garden was named a member of the County Planning committee.

Mr. Baltz has been chairman of the board since 1953 and at the recent primary election he was nominated to the Illinois State Legislature, which is equivalent to election. He will remain as chairman of the group until next January when he will assume his new duty with the legislature.

State Offers Various Jobs

A special opportunity will be offered to the men and women of this area to participate in state merit examinations Tuesday, May 10, was announced by State Director of Personnel, Robert E. Perz.

Representatives of the Illinois State Department of Personnel will be available to interview, counsel and examine interested applicants from 9:00 a.m. to 2:00 p.m. at the Illinois State Employment Service Office, 77 N. Joliet, Joliet, Illinois.

Examinations will be offered for 90 different position titles which cover such diversified fields as; Guard, Psychiatric Aide, Grounds Foreman, Laundry Foreman I, Practical Nurse, Radio Operator Technician I, Seed Analyst and District Office Police Clerk I.

WELCOME WAGON

DON WALDVOGEL, JAMES LAKIN AND DAVE LARSEN.

L-W Student Council Selects 3 Boys As Pupils Of The Month

Lincoln Way community high school student council announced the selection of students of the month.

Those selected for this month's award are; Don Waldvogel, senior; Dave Larsen, junior; Jim Lakin, sophomore. There were no nominations from the freshman class. Each month one student from each class is chosen for his (or her)

outstanding service to the school.

Don Waldvogel is on the executive board of the S.S.O. and has worked hard to make the new program a success. He assists the agriculture department as an active member of the FFA and by helping Mr. Van Rheeden with his freshman practical arts class. He devoted a lot of time to the recent senior class play.

Dave Larsen was chosen for his work with the dramatics and music departments. Mr. Donahoe sincerely says, "Without Dave's help our contest play would not have gone as far as it did." Dave has mastered the back stage production skills, and he willingly helps all organizations that interest him.

Jim Lakin received a first at the district speech contest, which he deserved not only for his talent but for the amount of time and hard work he devoted to the speech team. He was selected for his willingness to volunteer for all sophomore class projects.

During the American Revolution the British commander, Lord Cornwallis, found Charlotte, N.C., very troublesome. He described the city as "a damned hornet's nest."

Mokena Club Represented At Dist. Meet

The Mokena Woman's club was represented at the 11th district meeting of the Federation of Woman's club in the Grace Methodist church, Thursday, April 28.

Mrs. Berle Needham, Mrs. Harold H. Beebe and Mrs. W. H. Pitman were among those attending from the local club.

Mrs. Ralph Erlanson, president of the district introduced Mrs. Berle Needham, president, and presented the name of the club for consideration as a member of the larger group.

A luncheon was served by members of the Woman's society at the all day program.

During the afternoon session a choral group and trio from the Downers Grove high school, sang several numbers.

Woman's Club Entertainment At Oak Forest

Mrs. Karl Ekberg and Mrs. Fred Blackstone representing the Orland Park Woman's club, along with members of the Oak Forest club, entertained 190 patients from the Occupational Therapy shop in Oak Forest hospital, Wednesday April 27. Barbecue sandwiches, cup cakes, doughnuts and coffee were served, which was enjoyed by all.

The Cancer dressing group will meet in Wesley Hall, Wednesday morning, May 11 at 10:00 a.m. with Mrs. Harry Pihl, chairman of the club in charge. Those attending should bring a sandwich and the hostess committee will serve coffee and dessert. Anyone interested in this worthwhile project is invited to attend, either in the morning or afternoon.

Riding Club Has Election

Fifty two members and guests attended the New Lenox Riding club banquet, Saturday night, April 28 at Al's Steak House in Joliet.

Following the banquet a short business meeting was held; followed by election of officers with E. C. Elsen, president; James McDermid, vice president; Barbara Healy, secretary and Bernadine Warning, treasurer.

Prizes were awarded to Robert French, Herbert Folkers and Charlotte McDermid.

Plans were started for the club members show Sunday, May 22, and the annual benefit horse show to be held Sunday, June 26.

VFW Auxiliary Attends District Meet At Joliet

Mrs. Rose Vaughn, president of the 5th District of the VFW Ladies Auxiliary, presided at a meeting, Thursday, April 28 at the Stone City VFW hall in Joliet.

She lectured on the duties of officers in the club.

Those attending from Mokena were: mesdames, Harold Seal, president, Glenn Peterson, secretary, Casimier Wloch, treasurer, Russell Stankus and James Murphy, trustees.

Later refreshments were served by the Stone City club.

The William Martin Ladies Auxiliary 725 served cake and coffee at the recent CD celebration, Sunday, May 1.

The next regular meeting will be held Thursday, May 5 at 8 p.m. in the hall.

Mother-Daughter Speaker Will Talk On Birds

"Magic Hour of Music" will be the theme of the program of the annual mother and daughter banquet at the Frankfort Methodist church, Tuesday, May 10 at 6:30 p.m.

Miss Pauline Esdale of Chicago will be the guest speaker and will show slides of birds and nature in their natural habitats during the "Magic hour of music".

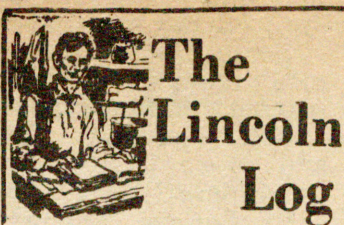

Reservations for tickets may be obtained by calling Mrs. Jacob Hostert, 5244 or Mrs. Dan Hecht 3741.

UTILITY GROUP SEEKS PERMIT

A hearing is scheduled for tomorrow before the Illinois commerce commission on a request by the Arbury Hills Utility Corp. for a certificate of convenience and necessity to operate the sewer and water system planned for the housing development east of Mokena along U. S. 45.

The Mokena plan commission will be represented at the hearing by Daniel P. Nagle, Jr.

A spokesman for the commission said it was not averse to the development plans for Arbury Hills but merely wanted to make sure there would be no burden was laid on the community.

The Freshman 4-B chorus of Lincoln-Way High school under the direction of Thomas D. Olson, has organized a girls sextet, consisting of: first soprano, Ann Shlensky, Joyce Martin, Alto, Carol Petersen; Second Soprano, Constance Morrison, Jo Ann Case, alt, Judy Werner; Contralto, Phyllis Fonte, Rose Mary Lane, alt, Jan Glade.

With the help of Margie Ardaugh the group has been successful in learning each new song in a day.

The group, with the 5-C sextet, will sing at the 8th grade graduation exercises on June 3 at Lincoln-Way.

June 10 Is Doughnut Day

Official permission has been granted to the Salvation Army to hold "Doughnut Day" in Orland Park on Friday, June 10.

President W. R. Schussler, Jr. has notified "Doughnut Day" headquarters of the approval, report Mrs. Earl O. Ehrhardt of Elmhurst and Mrs. G. Reed Basinger of Oak Park, suburban area co-chairmen for the annual area-wide tag day.

On "Doughnut Day" local residents working as volunteer taggers will "sell" the little doughnut-shaped tags that have become familiar emblems of The Salvation Army's help for the needy. Orland Park will be one of more than 150 suburban communities in Cook, DuPage, Kane, Lake, McHenry, Will and Lake (Indiana) counties that will hold "Doughnut Day" simultaneously with Chicago.

As in other communities where local Salvation Army Service Units are organized, 20 per cent of the funds raised in the Orland Park "Doughnut Day" drive will remain in the community. These funds are used to meet local disasters or emergencies, and to finance unduplicated health care programs or other service. The local Service Unit Committee, comprised of representative residents acting on behalf of The Salvation Army, decides how the funds will be used to assist individuals or families.

The other 80 per cent of the "Doughnut Day" contributions will help support the social welfare services maintained by The Salvation Army for the unfortunate in the greater Chicago area.

BRIDE-ELECT - Mr. and Mrs. Lester Heisner of Frankfort are announcing the forthcoming marriage of their daughter, Patricia Ann to Joseph A. Flicker of Tinley Park, son of Mr. and Mrs. John Flicker Sr. The wedding will take place Saturday, May 14 at St. George Catholic church, Tinley Park at 3 p.m. with a reception following at the Atrium Community hall, Peotone in the evening.

The bride-to-be was graduated from Lincoln-Way high school and is presently employed at the Will-DuPage Service Co., Joliet. Mr. Flicker is a graduate of Joliet Catholic high school and is employed by the Northern Illinois Gas Co. (Robert Porter photo)

School Board, Faculty Fete Retiring Principal

Miss Viola Lankenau, retiring school principal of Frankfort public school, was pleasantly surprised at a dinner given in her honor last Friday evening in the Rosewood Inn by the school board members and faculty.

The faculty attending included; Miss Viola Lankenau, principal, Leroy Olson and Russell Davenport both of Chicago Heights, Mr. and Mrs. John Robertson, Mokena, Mr. and Mrs. George Love, Joliet, Mr. and Mrs. Howard Osmus, Mr. and Mrs. Lawrence Woodman and Miss Isabella Harmenting all of Frankfort; also Mr. and Mrs. Perry Friedman, Park Forest and Mr. and Mrs. Ronald Crisman, Lincolnwood Hills.

The school board members attending were; Mr. and Mrs. Lester Heisner, Mr. and Mrs. Walter Mark, Mr. and Mrs. Vernon Hansen, Mr. and Mrs. Leonard Patterson, Mr. and Mrs. Wilbur Hossbach, Mr. and Mrs. Edward Tewes, Mr. and Mrs. Paul Lambrecht, Mr. and Mrs. Leo Haakinson, Mr. and Mrs. Glenn Nissen and Mr. and Mrs. Alvin Harnack.

A three piece set of luggage was presented the honored guest by the school board and the faculty and custodians purchased a clock for the school with a plaque in her honor.

Mr. and Mrs. LeRoy Wright of Bourbonnais, a former teacher who has been hired as the new principal, will assume his duties in the fall were also present.

Musical Program Planned At Mother-Daughter Banquet

The Orland Park Methodist church has set Thursday, May 12, for their annual mother-daughter banquet in the church dining room beginning at 6:30 p.m. Reservations are in charge of Mrs. Ray Myrick and should be made early.

Mrs. Tyng Munns of LaGrange will present a delightful program of musical bells combined with an unique colorful display of 100 bells from all over the world. She will play several familiar melodies with eight bells representing different countries.

There will be the usual special recognition awards to the mother with the youngest child and mother with the most grandchildren.

The men of the church will serve the dinner and all are invited to attend for an evening of fellowship and fun.

Albert Lorenzs Honored On 30th Wedding Day

Mrs. William Tuttle, Mokena, Richard Lorenz, Beecher and Donald Lorenz, Frankfort entertained in honor of their parents Mr. and Mrs. Albert Lorenz on their 30th wedding anniversary, Sunday May 1.

Mr. and Mrs. Lorenz, formerly of Frankfort, recently moved to a farm in Minooka where the celebration and housewarming was held. A buffet supper was enjoyed by the eighty invited guests from: Mokena, Joliet, Peotone, Beecher, Aurora, Frankfort and Chicago Heights.

A corsage and boutonniere was presented to the honored guests by their eight grandchildren. They were also recipients of many lovely gifts.

Editorials

In a recent poll of 400 grassroots newspapers conducted by "The American Press," a national monthly magazine, 66% of the editors expressed themselves as opposed to federal aid for education.

This is a subject on which we have written from time to time and are glad to see that we have a lot of company in opposing such use of federal funds.

The opposition, we are pleased to note, is not confined to any particular section but is general throughout the nation -- north, south, east and west.

Those who did favor federal aid for schools for the most part raised conditions under which it should be given.

"Keep federal government out of schools -- it now is too big a factor in everything," wrote a Pennsylvania editor.

"Federal aid to education," says a Florida publisher, "represents a new field for government which should be avoided completely."

"He who pays the piper calls the tune," is the opinion of a California editor who points out

that there, a state school board selects the books, etc., for the schools.

From North Carolina comes this quote: "Federal money cannot legally be issued to anyone without stipulations which automatically become federal controls. Local taxes for local schools are more easily supervised and controlled than when issued from a distant point."

"I believe federal regulation of schools will become the progeny of federal school aid," is the warning of a Colorado editor. "Once aid is started it will grow because of school lobbies."

A Kansas editor is more vehement. "If ever a false bill of goods was sold," he says, "we are seeing it in the well-organized propaganda activities of national and state educational organizations, supported blindly by do-gooder groups. Teacher-politicians have almost taken control of schools away from local taxpayers..."

From the state of Washington an editor writes to say he questions the authenticity of a poll purporting to show overwhelming approval of federal school aid in the nation.

"We have little doubt," he says, "that a poll of Washington would reveal that this state is overwhelmingly opposed to placing another layer of costly bureaucracy between the guy who pays the taxes and his kids the taxes are to educate. Each such layer of government administration means more red tape, waste, less education per dollar, less control at home."

And an Illinois editor sounds this note: The sooner people stop looking to Uncle Sam as an unlimited source of revenue for everything the better off this country will be. Local communities must face up to the fact that it is their responsibility to provide the best education for their children within their means. This country was built strong on that policy and there is no need to depart from it even though some educators and politicians find expediency in it."

And to all of this we should like to add..... Amen.

"Money buys everything except love, personality, freedom, immortality."—Wisdom.

"If you can't be thankful for what you receive, be thankful for what you escape."—Grit.

Ain't It True!

The Scoffers said it couldn't be done, And the odds were so great, who wouldn't? But I tackled the job that couldn't be done, And what do you know? It couldn't!

On Second Thought

BY GLENN F. LOGAN

Last week the Will county state's attorney, Frank H. Masters, issued a warning to householders to read carefully before signing any papers submitted by fast talking gents promising something for nothing.

He could have said don't go to the door but one can't keep shut away forever or maintain perpetual silence. One can, however, learn to say no in a vigorous voice.

As the state's attorney pointed out there are some of these fellows who operate what could be described as a legitimate con game. They promise one thing but the paper the victim signs says another and the written agreement is what stands.

There are various things marketed in this manner. A person may be told he is simply signing a receipt to show that he is being loaned a musical instrument only to discover later that the "receipt" was really a sales contract.

Sometimes it has happened that the "receipt" signed for a gift turns out to be a promissory note. Sometimes a person signing a chattel mortgage in the course of a cattle deal discovers too late that the instrument covers everything else on the place, except his wife, kids and dog, instead of just the cattle.

While morally wrong these are tough cases to prove fraud. When one is 21 or more and is able to read it is assumed that he should know what he is signing.

The regular run of con games where fraud is paramount depends upon two factors for success--the gullibility and the cupidity of

the victim.

This department once had a chat with Yellow Kid Weil, who in his prime was one of the elite among con artists. But like all such gentry there were times when he slipped and went to prison. It was on one of the occasions when the Kid was doing time that this corner had an interview with him.

Weil took the position that his victims should have been sentenced with him because if they hadn't had larceny in their hearts they wouldn't have fallen for his pitch.

"If I had promised them five or six per cent on an investment," he said, "I wouldn't have even had any listeners. But when I told them we could make 40, 50 or 60 per cent I had their attention. Usually this profit would depend upon gaining possession of a stock which the holders believed worthless and would sell at 10 cents on the dollar."

"Now my client didn't know that the stock in question had never been sold or even issued until I had had a batch run off. He believed me when I said it was in the hands of people who didn't know the score and was perfectly willing to defraud them in order to make a handsome profit for himself. That is why I say that my customers should be in here with me."

The late P. T. Barnum is credited with voicing the first statistics as to the number of suckers in a population.

"There is one," to quote Mr. B., "born every minute."

There are many who claim Barnum was only stabbing in the dark, as the expression goes, and that he had no facts to go on. That may well be. We are inclined to believe that Mr. B's utterance was on the conservative side, especially after hearing some one on the radio the other day assert there is a child born every second.

If 60 babies are born every hour and only one of them turns out to be a sucker where are all those people coming from that subscribe to the charity and welfare rackets and approve any and all foreign aid?

Sandburg Nine Does O. K. In Free Swinging, Running Tilt

BY DENNIS LAVERY

Thirty-eight runs!
Sounds like football. But Carl Sandburg's baseball team defeated Reavis, 22-16.

The Eagles are about out of the Conference race, but they did some fine hitting. Neither team got very much in the way of pitching.

Still looking for his first conference victory, Jim Jefferies started for Sandburg. With two out, Bob Franklin walked and was sent to third when Cliff Phillips singled. Jefferies loaded the bases by passing Ram centerfielder, Joe Macinac. The sixth batter of the inning, Dick Pulver, cleared the bases with a triple to left. Ed Snyder brought home the fourth run by doubling to deep left field.

Now it was the Eagle's turn, lead off batter, Ted LaVine worked Dorminey for a walk. Steve Chojnacki singled to center putting runners on first and third. Bill Gorney took a called third strike for the first out. Dorminey filled up the sacks by walking Erickson on four pitches. Dick Barry, Sandburg third baseman, cut the Reavis lead in half by doubling to left scoring LaVine and Chojnacki. Cernick became the second out by grounding out to second. This allowed Erickson to cross the plate. Tony Lavine was the third Eagle of the inning to reach on a walk. The score was then knotted at four runs each by Dick

Barry's theft of home.

In their half of the second, Reavis went ahead on a triple by Bob Franklin and a single by Phillips. Sandburg countered with four runs to take the lead 8 to 5. The visitors were knocked down in order in the third, and then Sandburg padded their lead. With one out LaVine and Chojnacki walked. Both runners advanced on Bill Gorney's fielders choice. LaVine came home with run number nine on an infield hit by Erickson.

Reavis narrowed the gap to a one run difference by pushing three runs across in the fourth on three walks and two singles.

Reavis took a temporary lead in the fifth with five runs. Jefferies was still having trouble finding the strike zone. He walked the new pitcher Drnes, gave up a single to Baldwin then walked Graf and Franklin. Phillips ended Jefferies' stint on the mound by singling home two runs. Coach Meier put Scott on the hill. The "Stork" struck out Macinac for the second out, but gave up a hit to Pulver which drove in the twelfth and thirteenth runs for Reavis. Snyder grounded to Scott for the final out.

Then the roof fell in on the Rams. Ted LaVine reached with his third walk. Steve Chojnacki then picked up his third hit of the game, putting two men on.

Bill Gorney brought both home with a hit deep to center. He scored as the throw to third skipped away. With one out, Dick Barry tripled off the new pitcher Baldwin. He checked in as Randy Cernick picked up the eighth Sandburg hit. Tony LaVine, who had already walked three times, did again. Baldwin loaded the bases by hitting pinch hitter Vince DiBeneditto.

The pitcher, Scott, then punched a hit to center allowing two more men to score. Batting for the second time in the inning, LaVine reached first on an error on Franklin, this gave the Eagles another run. Sandburg loaded the bases for the second time when Chojnacki walked. Baldwin got Bill Gorney to strike out. With three and two the count, Duane Erickson poked a two bagger scoring Scott and LaVine. Barry then walked and Cernick cleaned house by slugging a three base hit to left, and he scored on a bad throw to third. Now Sandburg lead 22 to 13.

A rarity occurred in the sixth as neither team could score a run. In their last chance to tie the game, Reavis made a valiant bid. They scored three times before Scott retired Graf for the last out.

After all the figuring was done, Sandburg was declared the winner by a 22 to 16 score.

BY DEAN DALLAS
Semmler Press Sports Editor

Recently I read an article that stated that Americans are tired of being just spectators.

It seems that a few boys stole the goal post during the recent Army-Navy game at Franklin Field Philadelphia. It was rather embarrassing to the officials of the game and more embarrassing to the officers of the peace.

While play was in progress the boys stole the goal post. It is interesting to speculate on what would have happened if a touchdown had been scored before the goal posts were replaced. In fact, where would they have kicked the extra point. Maybe, they would have had to pass or run.

Hockey is a notorious sport for spectator participation. Hockey fans have been known to battle with players. However, it seems that the hockey fans get the seasons mixed up.

They get out the liniment and limber up their throwing arms for the hockey season instead of baseball. Many unwary hockey players had to duck for their lives this past hockey season as some good baseball pitcher almost hit his target. In fact, they are considering buying catchers mitts for the hockey officials to protect them. A scoreboard erected would help to indicate just how the fans are doing with their pitches. It seems that too many of them throw strikes.

Most coaches are considered the men who sit on the sidelines and scowl and then pace up and down during the games. However, we have a new breed of coaches developing.

It seems that these men are tired of being spectators and are yearning for some lively action. Last year the coach of one of the professional basketball teams did battle with one of the officials.

Then the crowd jumped in to help him out a bit. He was the spectators hero. He got into the game. He was quickly hauled out of the game, but he had his moment of stardom.

The American spectator is tired of paying for his ticket and then sitting down and limiting all the action of the day to his vocal cords and cramping legs.

Spectators it is time for action. We don't know what to expect in baseball this coming season--that is from the fans. They are getting robust in the other sports. Maybe we will see some real competition from the stands in professional baseball this year.

Who knows--someday we may be going to the ball park to see the fans in action--instead of the team.

Area Keglers Sign For ABC

A team of bowlers made up of four Frankfort men and one from Mokena have entered the annual ABC tournament which is being rolled at Toledo this year. They also are entered in the singles and doubles.

The team, made up of Ronald Harnack, Art Boat, Al Schramm, of Frankfort, Ben Rhodes, Mokena, and Jerry Mankowski, Frankfort, is slated to roll as a team on May 12. Each member will compete in the singles the next day and all are signed for the doubles also scheduled for May 13.

Harnack and Rhodes, Boat and Schramm are linked in the doubles and Jerry Mankowski will appear in that event coupled with his brother, Ray Jr.

These keglers bowl on various teams in the regular season at Frankfort and New Lenox.

"In the periods of prosperity, most people make more money than they earn and spend more than they make."
—Tit-Bits, London.

Lincoln-Way Drops Heartbreaker

Evergreen Park scored two runs in the last half of the seventh inning to down Lincoln-Way's Knights, 6-5 in a regular SWS Conference struggle on Monday evening at the Mustangs home field.

It was a heart breaking defeat for the Knights. They led at one time in the game, 3-0, and had captured the lead with a two run rally in the top half of the seventh, 5-4.

All of the runs in the seventh were to no avail.

However, coach Jonas Lashmet, Lincoln-Way mentor seemed pleased over one happening at the game. Ron Yunker pitched four innings of hitless and score less baseball.

Lashmet said, "Yunker is going to make an excellent pitcher. He is getting better with every game. Even by the end of this season he will be mighty tough to hit. I think that I have found a pitcher." Yunker sailed along for the first few innings, but became somewhat tired in the last couple of innings and then Evergreen rode hard on to victory, 6-5.

Lincoln-Way went quickly to an early 3-0 lead, only to watch it disappear after the fourth inning. In the bottom of the sixth the Mustangs grabbed the lead, 4-3.

However, in the seventh the Knights scored two runs without the aid of a base hit. Evergreen Park had some infield problems.

Bob Lichtenwalter got to second on a topped ball to the third baseman. Then Skip Kruzich walked. Jerry Piepenbrink hit a ground ball to second base that went through the second baseman's legs and Lichtenwalter came home.

Jerry Haennlein, Lincoln-Way catcher was hit by a pitched ball filling the bases. Ron Yunker walked to force in a run that gave the Knights a short lived lead of, 5-4.

Then came Evergreen's inning. The Knights gave it back to the Mustangs. It was a single, an error and a misjudged fly ball that netted the winning pair of runs for the Evergreen Park team.

Lincoln-Way is still seeking victory No. 2. Lashmet appear far more optimistic at this point--after the fine early inning performance of Yunker against the rather heavy hitting Evergreen team.

Sportsmen's Club Events

FRANKFORT

Trap shooting season is well under way with this club and is conducted every Sunday at their club grounds located a mile south and two miles east of WLS radio tower on Route 45 north of Frankfort. They have electric traps and a new club house.

NEW LENOX

An invitational fishing tournament is being conducted by this club on Saturday, May 14 from 7 a.m. to noon. Each of the county clubs have been invited to send their best bass fisherman to be a contestant. Guides and boats will be furnished.

The first warm days in mid April produced catches of every description. Reports are coming in of catches of catfish, small mouth bass, rock bass, croppies, bullheads and even carp. Most successful baits are night-crawlers and small minnows.

Bulletin

Bremen won its second straight game of the season by beating Rich on Monday evening. The Braves defeated Lincoln-Way on Friday for their first season win. The Bremen victory meant curtains for the rich hopes.

Early in the season Rich beat Bremen in a slugfest, 12-10. But the Braves were not to be denied.

You can look for a stronger performance from them through out the conclusion of this season.

They have been tightening the defense and Pete Loverich is getting better and better. If the weather stays warm the Braves will certainly be a team to beat in the second half.

Q. & A. Covering Proposed New Lenox Sewers

Numerous inquiries have been made concerning the proposed New Lenox sewer system. The following questions and answers, compiled from official sources, are carried here as a service to the citizens effected:

Q. What area will the proposed sewer system serve?

A. The area within the present village limits. But certain individuals in this area may not be reached by the mains because they are too isolated to make it practical to reach them.

Q. Is any provision made to serve areas outside the village?

A. The basic parts of the system are large enough to handle sewage from a much larger population. It will probably be wise to serve the village first, then work out problems necessary to serve outlying areas.

Q. How much will the proposed system cost?

A. About \$500,000. This includes the collection system and suitable treatment plant.

Q. What is the financing plan?

A. It is proposed to issue \$200,000 in general obligation bonds to be retired by taxation, and \$300,000 in sewer revenue bonds to be retired by sewer rents collected monthly from users.

Q. How much will taxes increase?

A. An assessment of 40¢ per \$100 valuation will retire the G.O. bonds in 20 years. A dwelling assessed at \$4,000 will pay \$16 per year at this rate.

Q. How much will the monthly sewer rents be?

A. About \$30,000 per year will be required to operate the system and pay off the revenue bonds in 35 years. For 500 users, this figures \$5 per month average. If homes were erected on all vacant lots, the monthly rent would be reduced a great deal.

Q. Are these figures based on firm prices, or are they just optimistic estimates?

A. Engineers have laid out the system in detail and the village board has accepted firm bids of contractors for the construction. A bonding house has contracted for the financing on the above basis.

Q. Will every user pay the same sewer rent?

A. Probably not. Rates will have to be established taking into account the load that different types of users contribute to the system.

Q. Will churches, schools and the like be free users?

A. No, at least not at first. The system will need all the revenue that it can get.

Q. How soon can sewer rents be expected to decrease?

A. Probably not very soon. With a new system, it would be wise to use any surplus to help extend the mains into other profitable areas.

Q. Is there really any chance to accumulate surplus?

A. Yes. Bonds are being paid off year by year, and there is some accumulation in revenue account because the board is required to collect 140% of the amounts necessary to service the revenue bonds. The extra 40% accumulates in reserve.

Q. Do we really need a public sewer system. My septic tank seems O.K., and I haven't heard of any typhoid epidemics lately.

A. We have at least six outfalls discharging untreated sewage into Hickory creek at this time, two of which can be seen from the Cedar street bridge. Accumulation of waste materials on the surface of the ground is such that the village smells from one boundary to the other on humid summer nights. As for typhoid, the compulsory inoculations seem to take care of that pretty well, but tests have shown that many of our wells

are polluted. It's just a question of how diluted you like to drink the stuff.

Q. Maybe we need a pure water supply more than we need sewers?

A. Perhaps, but we are being crowded against the wall by the sewage problem. If we correct the polluted surface water, most wells will clear up in a short time.

Q. Will there be a connection charge to the new system?

A. The present plan is to have the sewer contractor extend the connection from the mains to the lot line without charge for advance signers. For late signers, the charge may be considerable (may be as much as \$150 per connection.) Of course, each user pays the cost from lot line to the building wall.

Q. Is there any estimate of the cost to the average user for the sewer service line built on his own property?

A. Conditions vary so widely that no average can be given. It you check the sewer location on your street and measure the footage from your present outlet to the lot line, multiplying by two will give you the approximate cost to you in dollars.

Q. Will the proposed system carry roof drains and gutter water?

A. No. This is known as storm sewage and is as clean as natural stream water. If the present pollution is eliminated, surface water can escape over natural paths as at present.

Q. Where will the sewage treatment plant be located?

A. On the 9 1/2 acre tract between Hickory Creek and the railroad and west of Cedar Road.

Frankfort Grain Co.
LUMBER & BUILDING MATERIAL

Q. Will it smell?

A. No. This point is checked carefully by State authorities before granting permission for installation. Dwellings are often built right up to the fence surrounding a modern treatment plant.

Q. Is the liquid that leaves the plant and is discharged into the creek clean and pure?

A. Most of the solid matter has been removed from the sewage so that it is clear. With suitable chlorination, any remaining bacteria would be destroyed.

Q. Does a treatment plant require all of 9 1/2 acres?

A. No. It is planned to landscape the east half for a public park. A place on the far west end might be used for a dog pound.

Q. May I continue to use my septic system after the new sewers go in?

A. Probably not. As soon as efficient public sewage system is available, the Board will probably pass an ordinance outlawing private septic tanks and pit closets.

Q. I think public water system is very important. Can't this be obtained?

A. The original plans included

complete water system as well as sewage. The bond companies would not finance the project in this total.

Q. Why is this?

A. As you have heard, this is a "tight money" season. Lenders make their own rules, and the current rules are that the bonded indebtedness per service should not exceed \$1000 (in other words not over \$500,000 for us). Also, they like to see the monthly payment \$5 or less.

Q. Is there any other way that a water system can be financed at this time?

A. Yes. By special assessment. This would mean that each property

owner would have to pay off about \$1000 in special assessment bonds in the next ten years. The Village Board believes it wiser to get the sewer system working first and then try to work out some other financing system that is more efficient and less painful.

Q. Can't we get away without installing a sewer system for a while longer?

A. Very doubtful. The state is moving ahead firmly against people who pollute streams. Joliet has had to spend large sums to correct its conditions. Mokena has a sewer system now. Frankfort is building one. The only reason New

—See Us for New Low Prices—
Wolf Road Mokena, Ill.
SWANBERG CO.
Tel. Mokena 2461

Lenox has been able to escape pressure for so long is that we could say that we have a plan in progress.

Q. After all, the voters could vote down a scheme to provide public sewage?

A. True. But the state can require us to proceed in spite of negative action by the voters.

Q. Does the value of property increase by reason of having adequate public sewage service?

A. It certainly does. In Mokena, developers are able to get up to \$1,000 more for lots available to the sewers. Improved property goes up in value, too.

Q. Can I see the plans for the proposed system?

A. Complete plans are on display at Elliott's drug store and the Harvey Frick insurance agency.

Page 1 Section 2

Thursday, May 5, 1960

Q. How long will it take to complete the new system?

A. The contractor says 300 calendar days, and he has agreed to a penalty for non-compliance. This includes complete repair of streets.

Q. Will the streets be torn up?

A. They must be torn up during construction, but there is money in the construction contract to restore them to their original condition.

Q. Will there be any general mass meetings to discuss this sewer problem?

A. Probably not. The board feels that the most efficient way to present the problem is to small groups and to individuals.

Classes in radiology are to be formed in the fall and will run for ten hours. At least ten people are asked to take the course. These radiological instruments cost between seven and eight hundred dollars and if ten people enlist in the course it will be possible to get three instruments free of charge.

Mr. Long of Joliet, Council director of Boy Scouts of Will county and Donald Ball talked to the group about forming a Boy Scout troop in the vicinity which will be sponsored by the Auxiliary police. Donald Ball has accepted the job as Scoutmaster when the new troop is organized.

Sgt. Rudy Urbano, Mrs. Jessie Nicholson, Larry Harris and James Hatz helped with the traffic during the serving of the smorgasbord dinner at the Methodist church Saturday.

The fifth and sixth grade pupils of the Ann Rutledge school together with their teacher, Mrs. William C. Davidson went on a field trip last Friday. Their trip included seeing the movie "Ben Hur" at the Michael Todd theatre and also touring the Marshall Field and Prudential buildings. The mothers who assisted on the trip included mesdames; Rudy Urbano, Robert Wheeler, Steve Kubeck, Joseph Gudgeon, Stanley Balsi, Wendell Jenkins and Henry Blevins. Mrs. Floyd Martin and Mrs. James Dixon helped with the transportation to the train.

Mrs. William Davidson and Mrs. George Walker attended the April meeting of the teachers of Lincoln Highway rural school at Cherry Hill school.

Mr. and Mrs. Emerth Boyden entertained the following dinner guests last Sunday, Mr. and Mrs. Merle Daugherty and Mr. and Mrs. Emery Key.

Mr. and Mrs. Donald L. Scates and son Donnie spent the weekend with the formers parents, Mr. and Mrs. Roy Scates at Detroit, Michigan.

Public Service Co. Sets New Sales Record

Public Service Company's southern division, which has its headquarters at Joliet, in 1959 marked another year of record-breaking sales. Gilbert K. Hardacre, division Vice-President, said today in a report of the division's 1959 activities.

Southern is one of the seven divisions comprising the Commonwealth Edison-Public Service Co. system. Division sales for 1959 reached a peak of 2,837,763,056 kilowatt-hours, an increase of 15.3 per cent over 1958. These sales were larger than those of many sizeable electric companies.

"All three major classifications -- residential, commercial and industrial -- showed increases," Mr. Hardacre said.

"During 1959 the number of residential customers in Southern Division rose 4.2 per cent, increasing from 215,000 to 224,200. Average residential use increased by 259 kilowatt-hours to 3,511 kilowatt-hours.

"Factors contributing to this gain included greater sales of electric ranges, dryers and other 240-volt appliances by dealers in our service area, and the increasing popularity of the all-electric home.

"At the start of 1959 there were about 230 electrically heated homes and apartments in southern division. By year-end the number of such residential units completed or under construction rose to nearly 1,500.

"Stimulated by our wiring assistance program, nearly 1,400 residential customers modernized their home wiring in 1959.

"Southern division at the end of 1959 had a total of approximately 246,300 customers of all classes compared with 237,000 a year earlier, an increase of 3.9 per cent.

In southern division there are approximately 1,700 employees

carrying on the production, operating and service activities in a 3,800 square mile area which has a population of approximately 850,000. The division service territory extends south from the city limits of Chicago as far as Pontiac, and west to include the eastern portions of Marshall and Woodford counties.

"Some of the system's largest and most important plant installations are in Southern," Mr. Hardacre continued. "The Will County generating station between Lockport and Lemont is the newest of the systems 12 conventional coal-burning plants. Construction will soon begin there on a huge 510,000-kilowatt unit. It is scheduled for service in 1963. In June of 1959 a new 315,000-kilowatt turbine generator was placed in service at the Joliet station.

"Also in southern division is the Dresden nuclear power project. Announcement was made early this month of the initial production of electricity there. Dresden is expected to be in regular operation this summer.

"The generating capability of the Commonwealth Edison-Public Service Co. system passed the five million kilowatt mark in 1959 when the 315,000-kilowatt unit was placed in service at Joliet station.

"Expenditures by the electric company for new construction in 1959 were slightly over \$100,000,000, bringing to nearly \$1 1/2 billion the amount spent on system additions and improvements since the end of World War II.

"Starting in 1960, the system is undertaking the largest four-year construction program in its history. The \$700,000,000 program calls for estimated construction expenditures of \$160,000,000 in 1960; \$165,000,000 in 1961; \$175,000,000 in 1962 and \$200,000,000 in 1963.

"The utility's continuing construction program is carried out to insure adequate generating and distribution facilities to meet the demand for electricity, and estimates are subject to future revision to meet changing conditions."

Goodwill Week Observed May 1-7

Goodwill Week will be observed the week of May 1-7 to encourage good will toward handicapped people, sponsored by Goodwill Industries of Chicago.

The observance in Chicago will be part of the nationwide attention to the needs of handicapped people, William Ragolio, Executive Director of the Goodwill Industries here, said. Goodwill Industries programs reach into nearly 500 communities through the United States.

Anyone can participate in Goodwill Week by contributing usable clothing and household articles, Ragolio said. These materials make the Goodwill Industries program possible. Handicapped workers repair and recondition the articles, and the income from their resale primarily pays the cost of the non-profit program.

New Lenox

Grace Church Sends Two Delegates To Convention

BY DELORES ANDERSON
HU 5-3651

Mrs. W. F. Penn and Mrs. C. E. Dixon were among the 700 clerical and lay delegates attending the annual convention of the Episcopal Diocese of Chicago, May 3 and 4 in the John B. Murphy Memorial Auditorium, 40 East Erie Street, Chicago.

With the Rev. Humphrey C. Dixon on they attended the convention banquet, which this year commemorated the 125th anniversary of the organization of the diocese, at 7:30 p.m. Tuesday, in the grand ballroom of the Palmer House.

The New Lenox unit of Will County Home Bureau met Friday April 28th at the home of Mrs. Thomas Scouler at 1 p.m. Mrs. Paul Francis was the assisting hostess.

The Good Will Industries Truck of Chicago will be in New Lenox Tuesday May 1. Anyone having articles or discarded clothing or small household furnishings should call SA 25189 before 5 p.m. Friday, May 6.

Members of the seventh grade class of Haven grade school are selling the new 50 star, outdoor flags. Money derived from these sales will help defray the expense of the annual class graduation trip and banquet next year. The flag is 5X3 ft., durable, with fast colors, and the material meets all government specifications for weather tests. Anyone wishing to purchase a flag, may call Don Anderson, phone 5-3651, or any other member of the seventh grade class.

Mr. and Mrs. Loren Cantrell, Jr. entertained members of the New Lenox Nazarene church at a surprise party honoring Mrs. Loren Cantrell, Sr., on her 67th birthday anniversary, April 23. The honored guest received many nice gifts. Games and refreshments were enjoyed.

One hundred twenty attended the annual spring luncheon given Wednesday April 20 by the Womens League of Trinity Lutheran church. Dan Martin of the "Flowers by Dan" Florist shop gave a talk and demonstration on arranging flowers. Two centerpieces and a corsage were given as prizes. They were awarded to Mrs. Dorothy Williams, Mrs. Frank Goetschel and Mrs. Bertha Fordgard.

The New Lenox Garden club will hold its meeting this afternoon (May 5) at 1 o'clock in the home of Mrs. Maximilian Greenly. Co-hostesses will be Mrs. George Close and Mrs. Joseph Jencon. The program will be on table settings by Mrs. Walter Wilkosz and Mrs. Greenly.

The Womens' Guild of Grace Episcopal church will meet Thursday afternoon, May 12, at the home of Mrs. Joseph Gougar. She will be assisted by Mrs. Ruby Gougar of Joliet.

The April meeting of Cub Scout Pack 8 was held Thursday night April 28 at the New Lenox Lions Den. The boys have been very

successful in their candy sale drive. A skit was given by Den 2, and a movie on the Great Lakes was shown by Frank Goetschel. Refreshments were served after the meeting.

The April meeting of the 2nd Child Study club was held Thursday evening at the home of Mrs. Rolland Cagwin, Oakview drive. Mrs. Larry Greenman was her assisting hostess.

Speaker for the evening was grade school supt., John Oster, who talked on the "Educable, Mentally Handicapped." A state-aided class for these children will be started this year in Mokena.

Guests at the meeting were, Mrs. Norman Johnson and Mrs. Robert Cagwin. Dessert-coffee was served.

The annual dinner of the group will take the place of the next meeting, and will be held at Al's Steak House in Joliet.

New officers will be announced at this meeting.

Lincolnwood Caesar Wins Companion Dog Degree

BY DELORES ANDERSON
HU 5-3651

"Caesar", Dalmatian dog of Mrs. Stephen Madden, West Circle Drive, won his third leg in the Lake Shore All Breed Dog show at Hammond, Ind. last Sunday, which will give him his C.D. (Companion Dog) degree. His scores for the shows were, 185, 188, and 188 1/2 out of a possible 200 points.

Jay White attended a birthday party Saturday honoring his cousin Robbie White at Lincoln Estates.

Twelve Brownies of the Brownie Scout Troop from Schumhl school enjoyed a Slumber party Friday night at the home of Ann Chladek.

Mrs. Roman Nowicki visited last week with her sister in law, Mrs. Grace Skiles at Indianapolis, Ind.

Mr. and Mrs. Walter Thode attended funeral services Tuesday of John Hollerbach of Wisconsin, at Forest Park, Ill.

Mr. Roman Nowicki returned home Friday from his work at New Jersey.

Mr. and Mrs. Wallace Winslow and sons Steve and Wallace of Melrose Park were guests here for the day Sunday of their aunt and uncle, Mr. and Mrs. Walter Thode.

Riverview Park Introduces New Rides

Resplendent in new colors, and ready to introduce four new attractions, Riverview Park will open its 57th season of summertime fun Friday, May 13.

Riverview, the world's largest amusement park, will continue its 1960 season thru Labor Day, Sept. 5.

The four new rides which have been added to Riverview's facilities include "Safari", a new dark ride in African bush cars thru a jungle maze; "Paratrooper", an aerial ride that carries its patrons high above the Chicago river; "Bump 'Em", a traffic jam of electric cars, and "Helicopter", designed for small children and installed in Riverview's famous Kiddy City.

METHODIST CHURCH
The daily vacation bible school
will be held this year for two
weeks beginning August 8 thru
19 for all grades from first to
high school. The school will be
held in both the St. John's and
Methodist churches. Rev. Rob-
ert H. King will be Dean and
will be assisted by Mrs. William
Muehler.

Sunday, May 8, the Men's club
are inviting all wives to breakfast
in honor of Mother's day. Reser-
vations are needed and those at-
tending should call Harold Cooper,
Tony Dina, 5545 or Rev. King,
5205 by Thursday, May 5. Break-
fast will be served at 8 a.m.
Thursday, May 12 at 8 p.m.
there will be a joint meeting of
the WSCS circles at the church.
Rev. King will present colored
slides of his service experiences
while in Europe.

Friday, May 13, the Couple's
club will enjoy a superstition party
in Fellowship hall. Mr. and Mrs.
Willis Guth will be host and host-
ess for the evening. At this
meeting plans will be made for
the summer program.

Monday, May 16, the commission
on education will meet at 8 p.m.
at the church.

Thursday, May 19, the Sunday
school workers conference will
be held in the church.

Saturday, May 21, the Inter-
mediate MYF will hold a bakery
sale at Cooper and Hostert gar-
age, 10 a.m.

-0-
MOKENA BAND BOOSTERS
Mrs. Charles Neuls, Mrs. Lloyd
Warning and Mrs. Ray Westlund
have accepted to be on the nomi-
nating committee to choose officers
for the coming year. Election
will take place at the May meeting.
At the monthly meeting held
Monday evening, April 25, in the
Carpenter street school reports
were made concerning the dance
at Lincoln Way with Jim Lounsbury
as Master of Ceremonies. He
will present his Record Hop
program and will have guest stars.
The dance will be Saturday eve-
ning, May 7.

The proceeds will be used to
offset the deficit on the uniforms.
-0-

Judy Lee Richardson of Sacred
Heart high school, Mokena, was
elected treasurer of the county
Junior Red Cross high school coun-
cil, April 26, at the group's annual
election meeting held at Joliet
Township high school.

The new officers will serve
during the 1960-61 school year
and preside over five general
meetings.

ECONOMY PROVED IN MOBILGAS RUN!

CORVAIR
BY CHEVROLET
DRIVE IT!
GET
OUR
DEAL!!!!

A pair of Corvairs recently recorded 27.03 and 26.21 miles per gallon in the 2061.4-mile Mobilgas Economy Run. That's certified proof that Corvair skimps on gas costs. It saves other ways, too. Corvair is the only U. S. compact car that never needs antifreeze or costly radiator repairs. Come in and drive the compact car that outdoes them all.

Things Corvair gives you that America's other compact cars can't:

Practically flat floor . . . real foot room for the man in the middle. **Fold-down rear seat** gives 17.6 cu. ft. of extra storage space. **Four-wheel independent suspension** for a smoother, flatter ride. **Rear-engine traction . . .** that comes with the engine's weight bearing down on the rear wheels.

You probably realize already that the mile-
age figures Corvairs recorded in the Mobil-

gas Run are higher than the average driver can expect. But because the cars met every kind of driving condition—rugged mountain grades, long country straightaways, congested city traffic—those mileage figures prove Corvair's inherent ability to save. Operating costs take a nose dive the day you take delivery of a Corvair.

See your local authorized Chevrolet dealer for fast delivery, favorable deals

TRUMP CHEVROLET SALES

Frankfort, Ill.

LEGAL
COOK COUNTY
DELINQUENT
TAX LIST

OFFICE OF COUNTY
TREASURER OF COOK
COUNTY AND EX-OFFI-
CIO COUNTY COLLEC-
TOR OF COOK COUNTY,
ILLINOIS.

Advertisement and Notice of
Collector of Cook County
of Application for Sale of
Delinquent Lands and Lots
for General Taxes for the
year 1958, and Notice of
Sale Thereof and applica-
tion for judgment, fixing
the correct amount of any
tax paid under protest and
for order for sale on such
payments, as provided by
law.

May 5, 1960

NOTICE IS hereby given that the said
Collector of Cook County will apply to the
County Court of Cook County on the 16th
day of May, A.D. 1960, for judgment
against lands and lots hereinafter de-
scribed as being delinquent upon which
taxes remain due and unpaid, or per-
sonal property taxes charged thereon, as
noted in this advertisement, remain due
and unpaid, for said taxes, interest and
costs and for an order to sell said lands
and lots for the satisfaction thereof ac-
cording to law (excepting from said
judgment and order of sale the cases
which are included in this advertisement
for sale only under former unexecuted
judgments and orders for sale as may
be noted in this advertisement).

Notice is also given that an applica-
tion will be made for judgment fixing
the correct amount of any tax paid
under protest.

Notice is further herein and hereby
given that on the second Monday next
succeeding the 16th day of May, A.D.
1960, to-wit, the 30th day of May, A.D.
1960 at the hour of 9 o'clock A.M. all
said lands and lots hereinafter described
for sale of which an order shall be
made, or has heretofore been made and
not executed as noted, will be exposed to
public sale at the County Building of
Cook County where the County Court is
held in said County, for the amount of
taxes, interest and costs due thereon re-
spectively.

The following is a list of delinquent
lands and lots to which the taxes re-
main due and unpaid, the name of the
owners, where known, the total amount
due thereon (excluding delinquent special
assessments separately advertised) and
the year or years for which the same
is due.

(The total amount due in this applica-
tion on each tract or parcel of land or
lots is the sum of the amounts appear-
ing due in the column headed "Total".)

EXPLANATORY NOTE—In this list in
all places where no notation is made
the figures in the column headed "Total"
(meaning dollars) and the "cts" (mean-
ing cents) represent the taxes due and
unpaid for the year A.D. 1958, where
the letter "P" is placed to the left of
the figures in this column it is intended
for an abbreviation of the word "for-
feiture," and denotes that the amounts
set down to the right of the same are
the amounts due and unpaid on said lands
and lots for which said lands and lots
have been previously forfeited to the
State. When back taxes are extended they
are indicated by the letters "B. T."

Payment of taxes made after printer's
copies are sent to publishers for listing
and appear as delinquent in this adver-
tisement, will be satisfied in judgment
records before sale.

Where no description of property (either
land, lot, block or portion thereof) ap-
pears in said list to the left of and op-
posite the figures in said column headed
"Total" (meaning dollars) and "cts" (mean-
ing cents) said figures relate to the land,
lot, block, or portion thereof last above
described appearing to the left of the
opposite said "B. T." and "cts" column.
("Name" in the words "Name" where used
in the list means name of the owner of
said delinquent lands or lots, "desc" in
said words means description of said lands
or lots.

Business & Finance

BY MARUICE P. ANGLAND

The electronic and science stocks have been showing better market action than the list generally. Many analysts do not believe that the current favor in which these science issues are held, is justified on the basis of comparative tests which have been considered as orthodox tests.

Other analysts are just as firm in their belief that we are going thru a scientific revolution and that science stocks cannot be evaluated on same basis as the older industries.

The subject is far too large to treat fully in a column such as this. Only a scanning of the literature is possible. A recent article in the Financial and Commercial Chronicle, discussed the subject of science stock evaluation.

It was pointed out that a number of such stocks have been selling at 30 to 50 times stated earnings and yet increasing substantially in value for past few years. It is pointed out that such fast growing firms simply cannot pay much as dividends as they have urgent need for expansion funds.

The article notes that the principal asset of a good science company is brain power, usually in the form of one or more outstanding experts and that low book value as compared with price, has little meaning.

Anyone noting the recent takeovers and mergers in which firms are acquiring diversification in science, have obviously been interested in acquisition of particular teams of scientific abilities in such acquisitions.

It must also be remembered that caution should be exercised as new industries bring enthusiasms which are sometimes too great. An example is had in some of the pioneer radio stocks.

A well known investment advisory service, Speer & Staff, has a special service devoted to science and electronics.

A recent issue commented on automation as the key to a new industrial revolution.

The letter goes on, "We are in the middle of a great new industrial revolution, a technological upheaval as important as that which spread over Europe in the 18th Century. Then the first machine tools lifted production from the hands of local craftsmen to those of factory workers. Now, automated equipment is in the process of eliminating manual operations from modern industry."

"Labor is inexorably being replaced by automation, but calling automation as labor-saving is gross over-simplification. The continuous-flow industries - synthetic textile, petroleum refining, etc. - are often cited as highly sophisticated forms of automation, yet few realize there is little labor saving involved. These are not simply cases of machines working faster than men, but are instances where machines are doing work men cannot do because of the complex variables involved. Automation has equipped men with powerful means of new product development. It has paved the way for entirely new technologies."

"Automation is one of the most lucrative outlets for expansion of electronic technology."

The letter notes that control of quality, operating speeds and waste are most important. This need has spurred development in instrumentation. Without adequate instrumentation, many manufacturing processes would be impractical. The advent of the computer into which gauge and meter readings can be fed with continuous controls, has opened numerous new fields. Previously, plant managers read gauges and meters and then made decisions. Now such data analysis is done immediately.

"Money doesn't make a fool out of a man nearly as often as a girl makes money out of a fool."—Anna Herbert.

Chairman Announces Total Of Cancer Drive Is \$163

MRS. KATHERINE HEISNER
Tel. Franklin 5187
Mrs. Don Stephen, chairman of the recent Cancer drive, announces the total proceeds amounted to \$163.46. Volunteer workers included: Mesdames: Edmund Ebert, Dan Hecht, Orville Schinkowski, Kenneth Oetter, Glenn Burkett, Lloyd Lühring, Melvin Eastman, Harold Schifler and Howard Seemann.

Mr. and Mrs. Glenn Nissen and family returned after enjoying a ten day vacation in Nebraska visiting his parents Mr. and Mrs. Henry Nissen at Pierce, and his brothers Mr. and Mrs. Harland Nissen and Mr. and Mrs. Delmar Nissen at Plainview and his sister Mr. and Mrs. Lawrence Reding at Armstrong, Iowa.

Rev. and Mrs. Erich Bizer attended the Monee Area Ministerial meeting held recently at the Immanuel United Church of Christ at Peotone with Rev. Ewald Plassman, pastor.

Rev. and Mrs. James A. Parker, pastor of the Methodist church, spent last week in New York as sponsors for the Joliet Sub District Methodist senior high school youth where the group attended the United Nations seminar.

Mr. and Mrs. Ralph Dralle and family spent last week with the latter's sister and family Mr. and Mrs. Alan Schrader at Oklahoma City, Okla.

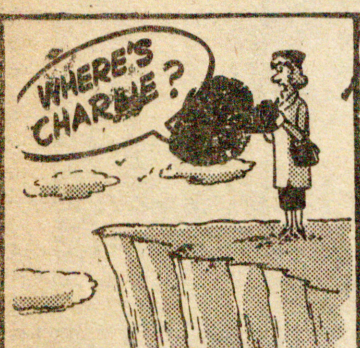

Mr. and Mrs. Alan Hedges and son Grant of Calumet City, were guests of his parents Dr. and Mrs. W. V. Hedges last Friday.

The Legion Auxiliary has changed their meeting date from Thursday, May 12 to Friday, May 13 at 8 p.m. The meeting will be held at the home of Mrs. Harold Schifler.

BIRTHDAY PARTIES
Last Sunday afternoon a surprise birthday party was given for the Misses Janet and Janice Ann Marshall, twin daughters of Mr. and Mrs. Arthur Marshall of Mokena, by Miss Sandra Gray at the latter's home for their 14th birthday anniversary. Guests included: Mary Consola, Janet Geary, Cathy Davies, Cheryl Wilson, Ann Owens and Michel Church. The afternoon was spent dancing on the patio and later refreshments were served. The honored guests received many nice gifts from the group.

Mr. and Mrs. Leslie Koenig entertained at a family gathering in their home last Saturday evening in honor of their daughter Sharon who celebrated her 12th birthday. Lt. Col. Frank Gray was pleasantly surprised last Friday evening when his wife entertained at a birthday party in his honor in their home. A social evening was enjoyed and later refreshments were served to the following guests: Major and Mrs. James Gode, Dyer, Ind., Capt. and Mrs. William Baugh, Worth, Capt. and Mrs. Andrew Doser, Chicago, Capt. and Mrs. Patrick McGoldrich, Markham; also Mr. and Mrs. James Rauffauf, Mokena, Mr. and Mrs. James McLamore, Mr. and Mrs. Norton Blaylock, Mr. and Mrs. Walter Mark and Mr. and Mrs. John Nichol.

ST. PETER'S CHURCH
Sunday, May 8, the topic for the morning worship service will be "The Christian family" with pastor Rev. Erich Bizer.
Tuesday, May 10 at 7:30 p.m. a meeting will be held for the brotherhood at the church.

He stepped out of the picture to do some saving at

CAN'T A FELLOW HAVE A LITTLE PRIVACY?

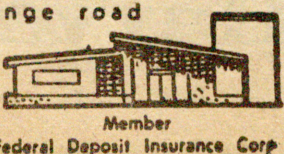

Yes, sir! And pardon our intrusion!

But, speaking of privacy, that's what you'll find plenty of in a safe deposit box at our bank. No prying eyes here. The contents of your safe deposit box are safeguarded against fire, theft and misplacement, too.

Gather up your important papers and other valuables. Store them in a private safe deposit box at our bank. The cost is small, the protection ample. Come in and rent one now!

in the church basement, Thursday April 28.

After a short business session Mrs. Robert Plastow lead the devotions. Mrs. Adele Cooper and Mrs. Clarence Kelsey volunteered to be on the nominating committee.

The next meeting will be held Thursday, June 2, in Wesley Hall with Mrs. Forrest Miller and Mrs. Frank Buck as hostesses.

The quarterly meeting of the WSCS will meet in the church parlors at 8 p.m., Thursday, May 5. Election of officers will take place at the business meeting. Installation will take place in the fall when other new officers of the church board take office. Mrs. Robert Plastow will lead in the devotions.

An interesting program will be presented by Mrs. Gordon Good, who is with the Evanston Council of Churches, and who has spent three years as a missionary in Africa. She will talk on "What and education means to an African woman in Central Congo". Her talk will be illustrated with slides. All WSCS members and circle members and their friends are invited to attend. Refreshments will be served following the program by the Mary Circle members.

Mr. and Mrs. Milton Utke, who recently moved from Chicago to Ft. Lauderdale, Florida, visited with Mr. and Mrs. Walter Yunker. Mrs. Yunker entertained at a dinner Saturday evening, Mr. and Mrs. Milton Yunker, Mrs. Utke

and Mrs. Milton Yunker are brother and sister to Walter Yunker.

Mr. and Mrs. Sigmund Smith have returned from an enjoyable five week's motor trip to Kingsville, Texas where they visited their son Karl and wife, they

visited interesting places in Mexico. They made their headquarters at Ft. Meyers, Florida where their son Larry, wife and children visited with them. On their return they drove Mrs. Larry Smith and children to Jacksonville, Fla.

McCORMICK® No. 91 Combine

with MAGIC CIRCLE

PLANETARY STEERING*

Most maneuverable combine ever built!

- BIG CAPACITY—42 inches wide straight through... at feeder, cylinder, over the straw rack... capacity to spare for heavy crops
- Exclusive DOUBLE SHAKE, opposed-action cleaning
- Ideal for small, irregular fields and diversified crops... saves more grain in tight corners and next to fences
- Dependable, economical 40 hp. 4-cylinder IH valve-in-head engine
- Big, 32-bushel grain tank
- 2-row corn head available

* Two convenient, easy-to-handle steering levers control power flow to the independent drive wheels—individually or together—for slowing down, stopping, turning gradually or sharply, pivoting completely, or reversing. It's built-in power steering—at no extra cost!

GAS is AVAILABLE NOW for Home Heating and Air Conditioning

Good news! Increased supplies of natural Gas now make it possible for any single-family home in the area served by Northern Illinois Gas Company to have Gas for heating and air conditioning. Simply apply at our nearest office—your Gas heat permit will be given immediately. Now is the time to start saving (and to keep on saving year after year) with wonderful, money-saving Gas heat. Plan, too, to enjoy cool, whole-house summer comfort—just as economically—with Gas air conditioning.

Change to GAS Heat is simple

Installation of a permanent Gas heat conversion unit takes less than a day, from start to finish. A brand new furnace, compact and good looking, also can be installed with minimum disruption of everyday household activities.

Change to GAS Heat is inexpensive

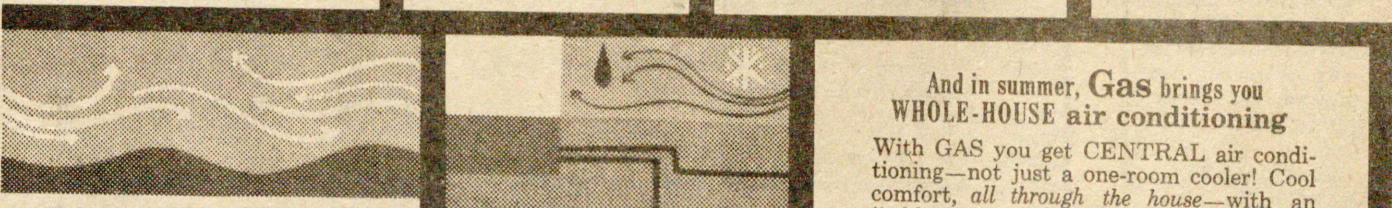

Regardless of what kind of heating system you now have, you'll find Gas heat economy soon repays the nominal cost of switching to Gas...and you keep on saving all the years you enjoy it.

GAS Heat is fully automatic

Just set the thermostat and forget it. You'll enjoy cozy comfort all through the house all winter long, and during those hard-to-heat, change-of-season periods, too! No more shoveling—no delivery worries—no fuel storage problems.

GAS Heat cuts costs

Because it is so economical, Gas heat will virtually put money in your pocket every month you use it, year after year. Long-life Gas burner units, simple in design and operation, keep maintenance costs down, too.

GAS Heat means finest comfort

Gas heat supplies a cozy warmth. Fresh warm air is gently circulated all through the house—no layering, or stratification of heat between floor and ceiling. On return to the furnace, the air is filtered, refreshed. Added to this is the benefit of humidity control, essential to true comfort.

GAS is dependable

Natural Gas is always ready to serve you—automatically. Piped into your home underground, it is unaffected by ice, wind or storms. No tanks or bins to keep full—no deliveries to worry about. Gas heat units are designed for years of trouble-free heating.

And in summer, Gas brings you WHOLE-HOUSE air conditioning

With GAS you get CENTRAL air conditioning—not just a one-room cooler! Cool comfort, all through the house—with an "add-on" unit for your present furnace, or a single unit that both heats and cools. You'll reap daily dividends of a cleaner, quieter home... reduced cleaning bills... improved health conditions... increased property value.

And, as with Gas heat, you'll benefit from operating economies that place this luxurious comfort well within the means of any family to enjoy.

Mail the coupon below and learn more about this wonderful boon to modern living.
